## **EUROPEAN UNION'S REACH DECLARATION CERTIFICATE FOR TI EDUCATION TECHNOLOGY (ET) PRODUCTS and/or its packaging**

The Regulation (EC) No 1907/2006 of the European Parliament and of the Council on the Registration, Evaluation, Authorization and Restriction of Chemicals (REACH: Registration, Evaluation, Authorization and Restriction of Chemical), Annex XVII, entered force in June 22, 2009, and is applicable in all 28 EU member states as well as European Economic Area (EEA: European Economic Area) countries Iceland, Liechtenstein, and Norway. REACH requires any company manufacturing, importing, using or placing a substance, mixture, article or product on the EU market will be responsible for ensuring that the component substances are in compliance with REACH regulations.

Texas Instruments supports the overall REACH objective of improving the protection of human health and the environment and meets all applicable REACH requirements. Texas Instruments is strongly committed to working with customers and supply chain to define and implement REACH requirements and ensure a smooth transition to compliance.

Texas Instruments products and/or its packaging do not contain or do not exceed 0.1% by weight of Substances of Very High Concern (SVHC: Substances of Very High Concern) according to Article 59(10) of the REACH regulation. The candidate list is dynamic and can be found in link below  
<http://echa.europa.eu/candidate-list-table>

*Important Information and Disclaimer: TI bases its material content knowledge on information provided by third parties and has taken and continues to take reasonable steps to provide representative and accurate information, but may not have conducted destructive testing or chemical analysis on incoming materials and chemicals. Unless otherwise provided by written agreement signed by the parties, TI's standard warranty and limitation of liability terms provided inside each product package applies to the representations provided herein.*
